## District Board of Director Candidates

The District's Board of Directors office has received multiple inquiries from the public regarding candidates for the District's Board of Directors to be voted on at the upcoming general election. By law, the District must maintain strict neutrality regarding the election, and therefore cannot provide information on any candidate for election to the District's Board of Directors. The names of the candidates to appear on the ballot for election to the District Board of Directors from your district are listed at the web site of the County Elections Department. To access it, go to <http://recorder.maricopa.gov/web/candcamp.aspx>. That site will also allow you to access public records filed by each candidate's campaign regarding the election, including the candidate's statement of organization and all campaign finance filings made by a candidate's campaign.
