RE: W-2 INFORMATION

MIHS employees will once again have the option this year to retrieve their 2012 W-2 form electronically. By logging onto a secure website to obtain your form, you will:

- Ensure a timely retrieval of your W-2
- Be able to file taxes earlier (you may receive a refund sooner!).
- Be able to save a copy to your hard drive for future use.
- Have the ability to retrieve copies of your W-2 at a later date.

In order to receive your 2012 W-2 electronically, log onto www.eprintview.com and give your consent.

If you previously consented to receive your W-2's online you do not need to consent again for your 2012 W-2.

Employees who have **not** consented for previous years must consent by January **15**, 2013 or they will receive a paper version of their W-2. The paper version of W-2s will be mailed on January 31, 2013.

The payroll department will send out a notice when the 2012 electronic version of the W-2s are available.

If you have any questions or comments please contact Payroll Department at extension 8465.

Thank You
